

Help support **girls** in our schools with a **Free 2 Learn Supply Drive.**

The **Free 2 Learn Program** at Free 2 Teach will provide public school teachers who shop at our free store each month with **feminine hygiene kits** to take to support girls in their class. Help us empower teachers and ensure girls have the period products they need to feel confident, cared for, and able to move forward with day of joyful learning.

Most needed items:

- pads (thin pads with wings, regular absorbency)
- liners
- individually packaged wipes
- underwear (one size and/or one-use)
- period underwear
- Other items we always need at Free 2 Teach: crayons, markers, copy paper, glue sticks.

Amazon Wish List!

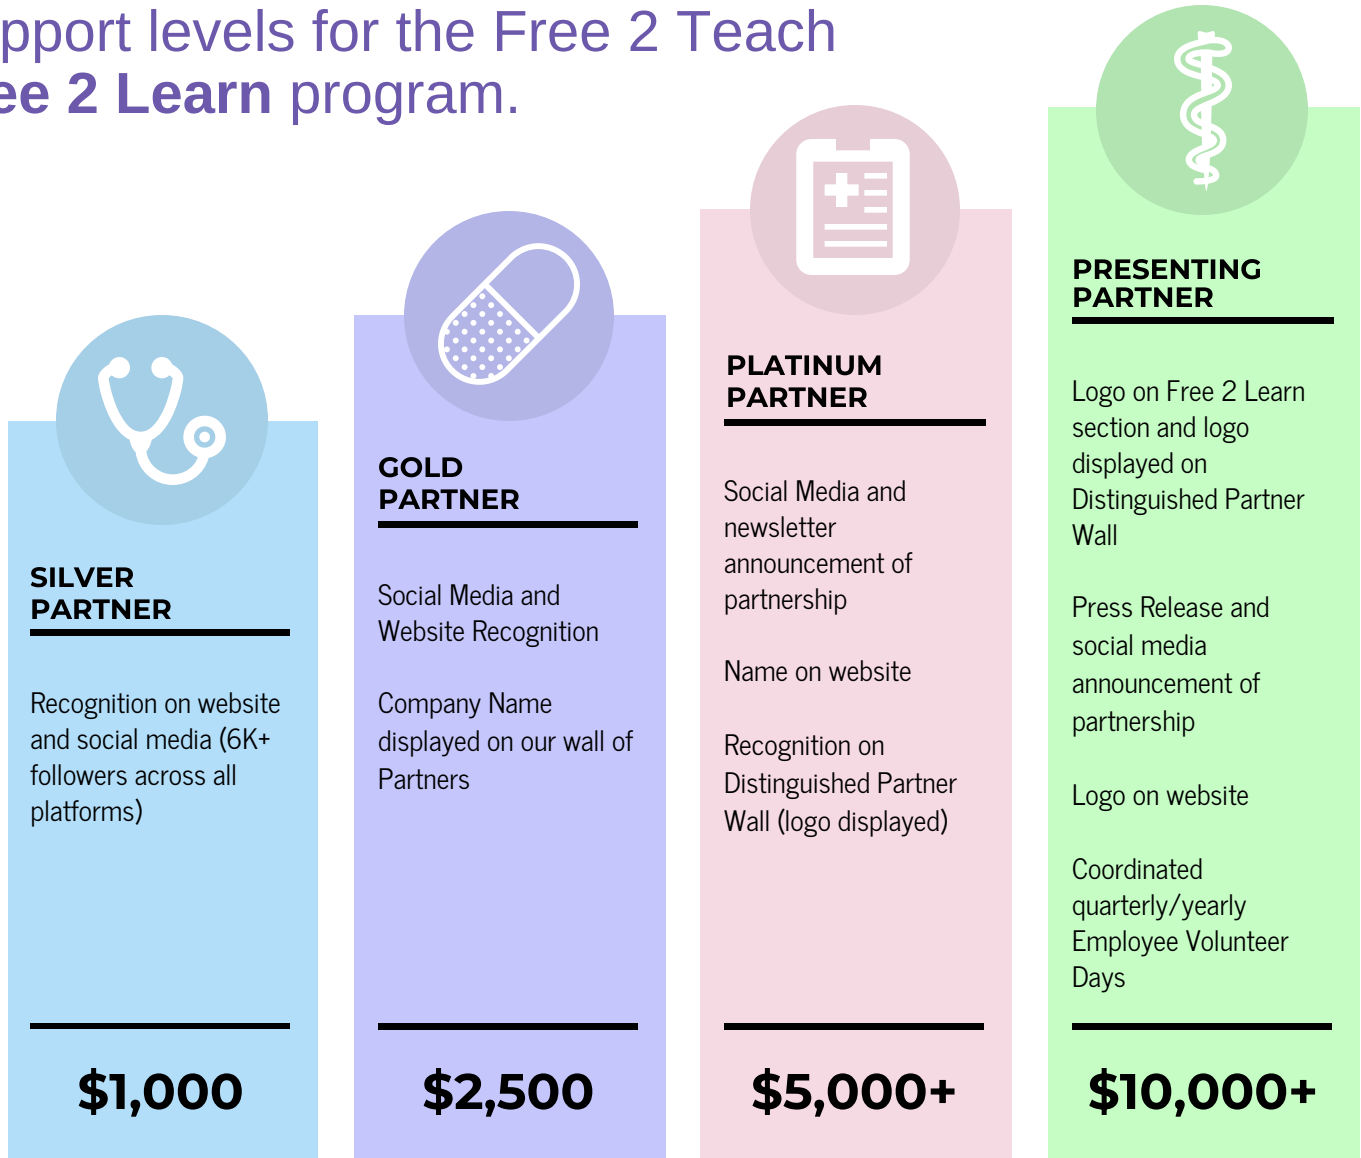

In addition to feminine hygiene kits, shoppers at our free store leave with a variety of high quality supplies and resources for their classrooms. To date, we have given away over \$12 million in supplies.

At Free 2 Teach, we believe that every child in our public schools deserves an excellent education in a fully equipped, thriving school community. We work every day to get supplies, resources and more into the hands of their teachers, school nurses, counselors, speech therapists, and more, so that they do not have to spend out of pocket for items that students need. We are a community supported, volunteer powered organization, and believe everyone can make a tangible impact on education in our community.

Support levels for the Free 2 Teach Free 2 Learn program.

Above levels correlate to in-kind donations of supplies. In-kind support of items in our kit list are extremely helpful to our efforts to equip teachers and girls in our schools.
